

# BEWARE!!!

## Counterfeit products for sale on the internet!!

An increasing number of Counterfeit YONEX products are being sold on internet auction sites. "Counterfeit Product" is product, which illegally uses the YONEX logo or imitates YONEX products. It is illegal to Import, Sell or Possess for the benefit of selling these counterfeit products. Please be aware that purchasing On-line without seeing the products or purchasing products from irregular dealers increases your chance of participating in these illegal activities.

### How to spot the difference between genuine and counterfeit products.

❶ Please pay attention to  YONEX logo. The correct YONEX logo has rounded corners, and the hollow portion of the "0" is a little bigger than that of the imitation logo.

 Counterfeit product		Logo on [AT800]		 Genuine product
 Counterfeit product		Logo on [MP100]		 Genuine product

❷ Genuine products have laser engraved serial numbers on the shaft and handle cap, where as counterfeit racquets have printed or irregularly engraved serial numbers.

 Counterfeit product		Serial number		 Genuine product
